OG = Organically Certified by Oregon Tilth

Our seeds are all open-pollinated, untreated and not GMO'd. It's all about quality, which is why we grow our own! This "Common Name to Latin Name Seed List" represents all the seeds that we offer, arranged by common name. Some of the seeds are only available seasonally. For more information about these herbs, please visit our website at www.horizonherbs.com or consult the Horizon Herbs seed catalog. All living things thank you for contributing to the diversity of the biosphere.

Silphium laciniatum
 Compass Plant
