OG = Organically Certified by Oregon Tilth

Our seeds are open-pollinated, untreated, GMO-free, and packed with love! This "Latin Name to Common Name Seed List" represents our entire collection of seeds, arranged by Latin name. Some of these seeds are only available seasonally. Most of the species listed as seeds are also available to gardeners within the US as plants. For more information about the hardiness, habitat, uses, and growing recommendations for medicinal herbs, please visit our website at www.horizonherbs.com or consult the Horizon Herbs seed catalog Bless you for every seed you sow!

Lavandula angustifolia vera
 Lavender, English
